

Ian Bowden

Client Portfolio Manager – APAC
Franklin Templeton Investment Solutions
Singapore

Ian Bowden is a Client Portfolio Manager for Franklin Templeton Investment Solutions in Singapore. He focuses on designing and servicing multi-asset portfolios engineered to meet specific client objectives by leveraging Franklin Templeton's global investment capabilities.

Prior to joining Franklin Templeton Investment Solutions in 2022, Mr. Bowden was a Product Development Manager supporting the APAC Franklin Templeton business. Mr. Bowden has 10 years of product development experience and over 14 years financial services and investment management experience. Prior to his tenure with Franklin Templeton, he was a product developer with Standard Life Assurance.

Mr. Bowden holds a bachelor of economics from the Newcastle University and holds the Investment Management Certificate (IMA) designation.
