

**Jasslyn Yeo**

Managing Director, Deputy Head of Multi-Asset

Jasslyn is the Deputy Head of Multi-Asset at Fullerton Fund Management and is responsible for leading and managing multi-asset mandates.

Jasslyn brings with her more than 15 years of relevant experience in asset allocation, investment strategy and portfolio management. Prior to joining Fullerton, she was with J.P. Morgan Asset Management as a Global Market Strategist, responsible for formulating and communicating the market outlook and investment views in the Asia region. She was also a member of the Long-Term Capital Market Assumptions working group, which produced strategic asset allocation assumptions for JPMAM's multi-asset portfolios. Before that, Jasslyn worked as a senior investment strategist at the Bank of Singapore. In the earlier stages of her career, she has also held macro strategist and portfolio manager roles at Fullerton Fund Management and Lion Global Investors.

She holds a PhD in Financial Economics from the University of Western Australia and Masters of Applied Finance in Wealth Management from the Financial Services Institute of Australasia. She is also a CFA charterholder, a Chartered Alternative Investment Analyst (CAIA) charterholder, a Certified ESG Analyst (CESGA®) and a Certified Financial Technician (CFTe) holder.
