

Joseph Knight

Portfolio Specialist, Ninety One

Joseph is a portfolio specialist within the Quality investment team at Ninety One. He represents the views and capabilities of the Quality investment team's global and regional strategies internally and externally. Prior to joining the firm, Joseph worked as a Principal at Oxford Metrica, in a strategic advisory role, offering evidence based research and advisory services to asset managers, financial institutions, and foundations. Previously, Joseph worked at Schroders in the multi-asset team and started his career at Janus Henderson as part of their fixed income team. Joseph graduated from Oxford University with a Master of Business Administration and Bristol University with a BSc in Economics and Finance. Joseph holds the Investment Management Certificate (IMC) and is a CFA® Charterholder.
