

**Fund manager for Singapore Fixed Income**

**Name:** Melvin Chan

**Bio:**

Melvin Joined UOBAM in December 2018. He is responsible for managing Fixed Income Portfolios in Asia, both in the high yield and investment grade space.

Melvin brings with him close to 11 years of investment experience managing fixed income portfolio and covering credits in the public and private space. His experience focused on both High yield and Investment Grade debts. Prior to joining us, he spent about a year with RHB Asset Management and 4.5 years with Singapore Consortium Investment Management.

Melvin graduated with a 2nd Class Honors in Bachelor of Business (Banking and Finance) with double major in Banking and Finance, and Accounting and Finance.
