## MINYUE LIU

**Investment Specialist – Asia / Global Emerging Markets Equities & Greater China Equities**

BNP Paribas Asset Management  
Hong Kong

Minyue LIU has over 7 years of financial experience, in Asia and Europe. She is currently based in Hong Kong.

In May 2018, she joined BNP Paribas Asset Management (BNPP AM) Asia Limited as Investment Specialist covering Asia / Global Emerging Markets Equities and Greater China Equities. In this role, she works closely with the various investment teams to market their capability to sales and clients globally.

Prior to joining BNPP AM, Minyue held two different positions at responsAbility Investment AG. She firstly joined the Financial Institution Debt team for ECA-MENA region in Paris in 2016 and then moved to Hong Kong to cover the private debt investment projects with microfinance institutions and SME banks in China and APAC.

Minyue holds a Master's degree in Corporate Finance & Banking and a 'Diplôme des Grandes Écoles' with a major in Finance from EDHEC Business School in France.

**BNP PARIBAS**

The sustainable  
investor for a  
changing world

## DISCLAIMER

This material is issued and has been prepared by BNP PARIBAS ASSET MANAGEMENT Asia Limited (the “Company”), with its registered office at suite 1701, 17/F, Lincoln House, Taikoo Place, Quarry Bay, Hong Kong.

This material has not been reviewed by the Hong Kong Securities and Futures Commission. This material is produced for information purposes only and does not constitute:

1. an offer to buy nor a solicitation to sell, nor shall it form the basis of or be relied upon in connection with any contract or commitment whatsoever or
2. investment advice.

This material makes reference to certain financial instruments authorised and regulated in their jurisdiction(s) of incorporation.

No action has been taken which would permit the public offering of the financial instrument(s) in any other jurisdiction, except as indicated in the most recent prospectus, offering document or any other information material, as applicable of the relevant financial instrument(s) where such action would be required, in particular, in the United States, to US persons (as such term is defined in Regulation S of the United States Securities Act of 1933). Prior to any subscription in a country in which such financial instrument(s) is/are registered, investors should verify any legal constraints or restrictions there may be in connection with the subscription, purchase, possession or sale of the financial instrument(s).

Investors considering subscribing to the financial instrument(s) should read carefully the most recent prospectus, offering document or other information material for further details including the risk factors and consult the financial instrument(s)' most recent financial reports. These documents are available from your local BNPP AM correspondents, if any, or from the entities marketing the Financial Instrument(s).

Opinions included in this material constitute the judgement of the Company at the time specified and may be subject to change without notice. The Company is not obliged to update or alter the information or opinions contained within this material. Investors should consult their own legal and tax advisors in respect of legal, accounting, domicile and tax advice prior to investing in the financial instrument(s) in order to make an independent determination of the suitability and consequences of an investment therein, if permitted. Please note that different types of investments, if contained within this material, involve varying degrees of risk and there can be no assurance that any specific investment may either be suitable, appropriate or profitable for an investor's investment portfolio.

Investments involve risks. Given the economic and market risks, there can be no assurance that the financial instrument(s) will achieve its/their investment objectives. Returns may be affected by, amongst other things, investment strategies or objectives of the financial instrument(s) and material market and economic conditions, including interest rates, market terms and general market conditions. The different strategies applied to financial instruments may have a significant effect on the results presented in this material. Past performance is not a guide to future performance and the value of the investments in financial instrument(s) may go down as well as up. Investors may not get back the amount they originally invested.

The performance data, as applicable, reflected in this material, do not take into account the commissions, costs incurred on the issue and redemption and taxes.
