

Ricky TANG, Managing Director, Head of Client Portfolio Management, Value Partners

Tang is responsible for the product strategy of the Group's fixed income and multi-asset capabilities, driving and developing the franchises' competitive positioning and strategic plans. He also serves as Head of Client Portfolio Management. He leads the overall management of the Client Portfolio Management function. Based in Hong Kong, TANG reports to the Group's Co-Chairman and Co-Chief Investment Officer, Louis SO, and Chief Executive Officer, June WONG.

Tang has over 16 years of experience in the asset management and financial industry and brings extensive knowledge in asset allocation and multi-asset investing. He was a Director, Multi-Asset Investment Strategist at Blackrock. Before that, he was the Deputy Head of Multi-Asset Product, North Asia at Schrodgers, where he helped lead the team to build a successful multi-asset franchise. He started his investment career at BEA Union Investment as Multi-Asset Fund Manager Assistant.
